Objective:

I am a Character Animator currently based of Pune., India (and very willing to move!) who is looking to find a superior team in the Digital Media industry, where my skills and talents will contribute greatly towards the creativity and work of any project that I am on. I am also looking for a team who will help me to grow not only as an Artist but as a Professional in the Animation industry.

Education:

Self studied 3D, Character Animation, Visual Effects & Post Production.

Computer Skills:

Windows NT, Microsoft Office, Mac,
Maya, Motion Builder, 3d max, XSI , Shake.
Final Cut Pro, Abode premiere, Photoshop After Effects, endorphin...

Awards:

Three Grand Prize and onscreen credit- Mass Animation Competition 2009-2010

Name referred "Indira Gandhi Priyadarshini Award" 2008 it is presented to men and women from various walks of life for their Outstanding services, achievement and contributions in their particular professions. The award intends to spot and recognize the hidden talent in the country.
